Explore Rabun County "Your Georgia Mountain Destination!"

On December 21, 1819 the Georgia General Assembly passed an act creating Rabun as the 47th Georgia county. Join us as we celebrate!

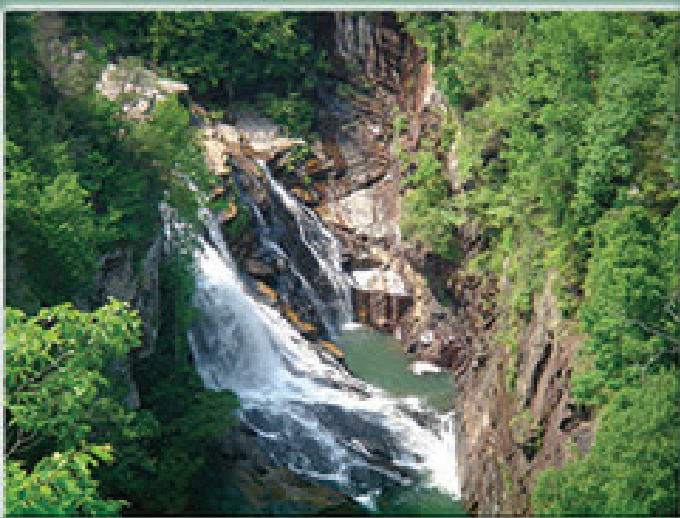

Whether you want to get away to rest, play outdoors, study our American history, shop, farm, or are looking for a place where you can do it all, Rabun County is the place for you! You can raft, hike, fish, zip line, visit art galleries, golf, camp, eat local foods, or gourmet cuisine. Plan your mountain wedding or family reunion. Make time to visit one of our wineries, or visit our local art galleries.

In 2015, the Georgia House of Representatives designated Rabun County as the Farm to Table Capital of Georgia. We have 6 dedicated Farm to Table restaurants, but many of our other restaurants use farm-fresh produce regularly. It's a way of life.
